COMMODORE'S CORNER

It's official. Boating Season is here. A special THANK YOU has to go out to Ray Buseman, Bon Buscher, Ken Hardcastle, and all those who gave up their time and talent to repair and redeck OUR docks. They look great, guys. It was Charles Doran Sr. who was our first member launched for this season, followed by Brent Smith. Who will be next? It's going to be a mad dash, so make sure you give our Launching Committee guys plenty of notice. And please have everything ready when we go to put in your boat so the Transport is not tied up waiting for you. I am looking forward to a great season, hope to see many of you up the Cove this summer.

Up for Full Permanent Members this month are our Editor and Chief of the Docklines, Deb Codd, and Ed Gilchrist. Keep an eye on the bulletin board for new Member postings.

Your Friend in Boating,
Commodore John F. Maloney

From the First Mates

We are putting together a Gift Basket/Basket of Cheer to be raffled off on Opening Day. We are looking for people to contribute a bottle, cash or other summer fun items. We've gotten a few bottles and a couple of other items, but we still need more. Donations would be much appreciated. Please bring donations to the meeting on May 3rd.

Committee Changes

We have two new Committee Chairmen, Steve Koenig took over the Bar, and Butch Earl took over the Gas. SO please give them your support. Thanks guys for your help and time.

NOTICE FROM THE ELECTRICAL COMMITTEE

Be advised. Anyone leaving their boat plugged in and not attended WILL receive a fine. NO EXCEPTIONS. It is a fire hazard to your boat and the other boats near yours.

Also be advised. If your boat is plugged in and you are using the water, there is the possibility of shock because your boat is not grounded when it is on blocks. Last spring, there was a death caused by electrocution to an individual at Riverside Marina. When the owner was washing his boat, he had it plugged in to charge his batteries, he touched his rudder and was standing in a puddle and was electrocuted. So be warned and be careful.

FROM THE EDITOR'S DESK

I just want to say thanks to all the members who have helped get information to me regarding address and email updates...that's the only way I can be sure everyone gets the newsletter!

Please have all submissions to me by the second Friday of each month. The response has been great so far, and I appreciate having plenty of information to share each month. *As summer approaches, I hope to get lots of photos of things going on at the club and at other places along the river.* You may call me at 215.361.7999, give me your information at the monthly meetings, or email me at dlcodd@earthlink.net.

Finally, if you have received this in paper format but would be willing to receive it electronically, please email me with your contact information. Thanks, Deb.
