FROM THE EDITOR'S DESK

Unfortunately, I was unable to publish a January newsletter. This one will serve for February and March. We will be moving at the end of February, so please send all submissions via email, as that will be the only contact that will not be changing. Updated contact information will be in next month's edition of *The Docklines*. Please have all submissions to me by the second Friday of each month at debcodd@rcn.com.

If you have received this in paper format but would be willing to receive it electronically, please email me with your contact information. Thanks, Deb.

Membership

Due to the unfortunate passing of Bill Gartner I have assumed the responsibilities of the Membership Committee. If for some reason anyone has had a phone number, mailing address or an email address change please contact me so that I can make the appropriate changes.

Also if any member needs information regarding a new application please go to our webpage, (pennsylvaniayachtclub.org). There you will find the "Prospective Member Information" along with my contact info in the non-secured area of our site. Many thanks to Arlian Barnes for setting up and maintaining our website which has had over 2100 hits and still counting.

HOUSE COMMITTEE

As the former committee head of the house I would like to thank and commend all of the present and former members that keep our Clubhouse running well and looking good. I would also like to extend the Clubs appreciation to Ed Young who has stepped up to assume the responsibilities of this most visible committee.

And I would be remiss if I didn't extend a huge "Thank You" to all of the members, particularly Charlie Doran Jr., who put their shoulders to the wheel during January and February of 2000. It was at that time that the Clubhouse and Bar had a major facelift resulting in a much more comfortable surrounding. Not only did the Clubhouse become more comfortable but it became a major catalyst in increased membership and rentals.

As we move into the year 2004 I wish Ed and his committee continued success.

Dear PYC Members,

I want to wish all members a very happy new year and thank everyone for re-electing me to be your Commodore for the next year. I will continue to work for you to make PYC one of the best Yacht clubs on the river. Our committee chairs and their members and the Board of Directors have worked very hard to provide PYC members with a great boating facility and clubhouse. Please continue to offer all the help and assistance you can to your committee chairs and Board.

I also extend a great deal of gratitude to our outgoing Rear Commodore Fran Bartrhmier. He has been very supportive and added many talents to our board of directors and will be missed. Thanks for all your hard work.

Director Arlian Barnes is also stepping down from the board of directors and will truly be missed. Arlian added a lot of knowledge and expertise to our board of directors. I thank you for all your help.

I welcome new Rear Commodore Don Buscher to The Board. Don has served before on the board and is always ready to assist and provide the needed expertise to the Board of directors.

Another new board member but not new to the board is John Maloney. Congratulations John and thanks for continuing to contribute to our club.

Sincerely,

Joe Buscher
